

45-HOUR INFANT AND TODDLER: METHODS AND MATERIALS FALL 2011

This course introduces the major concepts, theories, principles, and research related to the development and care of children birth to age 3. Participants will learn how to create a safe and healthy environment while developing appropriate interaction and communication skills that will assist with learning and development.

- Cost of the series is \$225, payable in advance.
- **You must attend every module during the series in order to receive a 45-hour certificate.**
- For child care center staff, this class serves as half of the 90-clock hour Infant/Toddler Certificate.
- For family providers, the regulations state that those approved before July 1, 2010 for more than 2 infants/toddlers must complete 45 clock hours of approved training related exclusively to the care of children younger than 2 years old. This class satisfies this regulation.
